Organizers

Centre for Public Policy Research (CPPR) is a think-tank based in Cochin, Kerala, India that engages in intensive research into social, economic and political issues. Their main areas of focus are Governance, Education, Health, Law, Livelihood, and Urban Reforms.

CPPR has carried out research projects and published policy papers for government bodies, private institutions and academic institutions. Their work has had a profound impact at the governance level.

The Atlas Economic Research Foundation, Washington, also known as the Atlas Network is a non-profit organization connecting a global network of more than 400 free-market organizations in over 80 countries to the ideas and resources needed to advance the cause of liberty. Atlas prides itself in helping 'discover, develop and support Intellectual Entrepreneurs worldwide who advance the Atlas vision of a society of free and responsible individuals.

Syllabus

This two week-long course for aspiring public policy researchers seeks to equip them with the tools necessary to conduct original primary research and produce high –quality research that is not solely based on secondary data. The course parameters will broadly cover the following:

- ✍ General aspects of research methodology such as the fundamentals of research and public policy
- ✍ Research analysis strategies & Data Designing
- ✍ Design and evaluation of Public Policies
- ✍ The importance of legal sources in formulating public policy
- ✍ New Public Management & Statistical Methods

Selection Criteria

All applicants must:

- ➔ Have a background in, and possess good knowledge of public policy research, and have worked for a minimum of 3 years
- ➔ Be in possession of a valid undergraduate degree
- ➔ Be atleast 23 years of age
- ➔ Be highly proficient in the English language; and
- ➔ Be willing to arrange for their travel documents from their country of arrival. The organizers will provide each participant with a call letter and offer partial/full travel grant if necessary.

Upon completion of the program, each participant is required to submit one or all of the following.

- Research paper on their Central Research Question (6-8 months after the program)
- An op-ed in leading national or regional dailies, magazines (2 months after the program)
- A feature article in a journal, magazine or newspaper (2 months after the program)
- Participants are also expected to submit a report on how they have put to practice their learnings from the program. (within 6 months of the program)

Accommodation

Participants are invited to stay in modern apartment hotel with shared room facilities at Riviera Suites in Cochin. Groceries, supermarkets and restaurants are all to be found within walking distance. Facilities include wi-fi network, swimming pool and other recreational spaces with a water front view.
